### Panama City: Segundo Muelle Peruvian Restaurant

#### Loved It!

Excellent Peruvian restaurant in San Francisco, Panama. We went recently, the service was top notch, the food delicious, elegantly presented, price for Panama City was mid to high depending on what you order, decor modern.

I won't get into a flowery description of what we ate here because it was all delicious, you can get a better idea from the menu online, complete with photos. Dessert was fabulous, we devoured the "Crocante de Lucuma".

I will attach the website which has the menu with prices, directions, photos, check it out here:
